"Am passionate about developing innovative web solutions that contribute to the efficiency and effectiveness of organizational success."

PROFESSIONAL EXPERIENCE

Flexcavo GmbH (Part time, Remote)   **Berlin, Germany**
React Full-stack developer   **2023 - 2024**
https://www.flexcavo.de/

- Worked on this project as a React developer with a wonderful small team.
- Focused on professional, pixel-perfect UI, and flexible mobile responsiveness using SCSS and styled component.
- Optimized website performance by implementing efficient coding techniques and improving overall user experience.
- Integrated various types of libraries including Material UI, i18n for localizing lodash, Material-table, formik, Google-map-react with React.
- Also, focused on React-routing and in the main part of the controller and made all routing flexible and powerful.
- Used Jira to manage the versions of production.
- Real time database management of firestore on Firebase and well-structured CRUD service.

Meet Native (Full time, Remote)   **Miami, US**
Front-End Engineer   **2022 - 2023**
https://meetnative.com/

- Created the clean and modern layouts with a focus on user-friendly navigation and responsive design.
- Used the React hooks, React Router, and Node.js functions like JWT, Scraper, and user authorization.
- Used the Tailwind CSS as a front-end UI framework and it made the speed of development faster and more wonderful. And converted the website to the mobile app using React Native.
- Integrated the payment gateway such as Stripe, Paypal and integrated the front-end with the back-end.

Mob Inspire, Inc (Part time, Remote)   **Bahria, Pakistan**
React Front-End developer   **2022 - 2022**
https://www.mobinspire.com/

- Worked in an Agile-driven environment to effectively maintain project and utilize available resources.
- Developed designs to meet specific requirements such as quick-loading sites with particular layouts.
- Developed landing pages, dashboards and online applications using React, CSS and netlify.
- Collaborated with in-house web designers to create a sleek and innovative UI design.

Redlizard Studioz Inc (Part time, Internship)   **Vancouver, Canada**
Front-end developer | Debugger
https://dev-pwa.potsave.com/   **2018 - 2019**

- Implemented a lot of functionalities on this project as a FE developer and debugger.
- Used the middleware, controller, error handling, Redux toolkit, Next app router, etc.
- Clear understanding and fast coding made my client satisfied and good for the team.
- Worked with a small team, just project manager, back-end developer, designer.

EDUCATION

Ateneo de Davao University   **Davao, Philippines**
